Mouser Electronics Announces Building Expansion Plans

Mansfield, TX, USA – February 1, 2005 -- Mouser Electronics, Inc. recently announced expansion plans at its headquarters located in Mansfield, Texas, that would more than double the existing 170,000 square foot facility.

The total increase will be 225,000 square feet: 50,000 additional square feet of office space and 175,000 square feet of warehouse space. Mouser also anticipates hiring approximately 300 additional employees to fill Inside Sales, Product Management and Warehouse positions.

Mouser Electronics, Inc., a privately-held company and subsidiary of TTI, is one of the fastest growing electronics distributors in North America.

According to President Glenn Smith, Mouser has experienced explosive growth over the last several years and "this expansion is the next logical step in our continued focus to support the needs of our growing customer base."

"Our company is dedicated not only to supplying Electronic Design Engineers and Buyers with the latest new products and the newest technologies," Smith said, "but we strive to provide the best customer service possible – regardless of the size of the customer or the size of the order. In fact, Mouser is the only Electronic Components Distributor in the world with no minimum order."

Mouser Electronics is the only catalog distributor of electronic components to issue a NEW 1,400-plus page print catalog every 90 days. In addition to its print catalog, Mouser's website makes it easy for customers to browse and buy over 450,000 products on-line, utilizing its Bill of Material Tools, data sheets, and over one million cross-referenced parts.

Mouser stocks a variety of electronic components from over 300 suppliers of semiconductors, passives, interconnects, electromechanical, power sources, and specialty products.

For five years in a row Mouser has achieved the highest ranking in North America for outstanding Customer Service and Support of its Engineering and Purchasing customer base of well over 100,000 business accounts. The company's streamlined process includes excellent technical support and same-day shipping on orders received from 7am-8 pm Central Standard Time.
