

PKS019-401*-0 ***Type-D Micro HDMI Connectors***

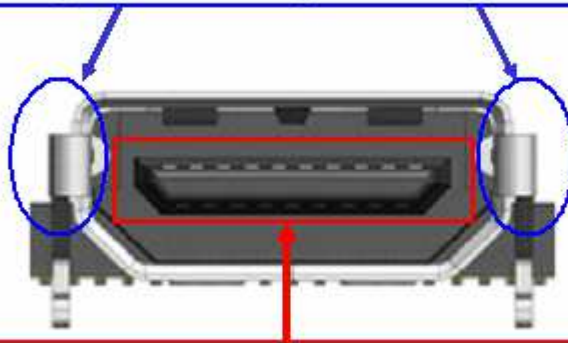

Product Features:

- Single Row Contact Design to save required PCB realty
- Special Metal Shell design to strengthen connector durability
- Contacts embedded into insulator to prevent bending during insertion process.
- HDMI ver. 1.4a Compliant

PKS019-401*-0 Special CT & Metal Shell Designs

Thickened metal shells on both sides strengthen interface area and prevent damage from insertion process

Upper row contacts are fully embedded into insulator tongue to prevent bending risk from insertion process.

Part Number Details

Part Number	Mounting Style
PKS019-4010-0	T/H Type
PKS019-4011-0	SMT Type
