1. Product Introduction

When the digital technology becomes the carrier of memory, can it also bring the sincere wishes and sweet memories once stored in star sand bottle back to life? Apacer's newly launched AH154 "Star Wish Drive" USB 3.0 flash drive gives you the touch of romance inspired by star sand wish bottle.

With the star sand totem on the ocean blue and cloud white dual-color body, this flash drive gently keeps your precious memories and wishes from the past. The AH139 "Star Wish Drive" is available in four capacities, 8GB, 16GB, and 32GB, and is proved waterproof, dustproof and shockproof so as to protect valuable memories from various situations!

The AH154 "Star Sand Drive" has a compact and light body with IPX7 waterproof features, as well as dustproof and anti-shock characteristics so as to protect each piece of memory against any accidental situations in life. The delicately designed ocean-blue chain enables the AH154 "Star Wish Drive" to be hung on the bag, key ring or mobile strap, while the cap holder design also helps to carry along all valuable memories and wishes! AH154 "Star Sand Drive" guards your every little wish!

2. Product Features

- High-speed USB 3.0 certified, backwards compatible with USB 2.0
- USB powered. No external power required.
- Inspired by star sand totem design
- Cap holder design with a strap hole prevents accidental loss or misplacement of the cap
- Multi-proof of durability--adopts COB (Chip-on-Board) technology with waterproof (IPX7 features), as well as dustproof and shockproof characteristics.
- RoHS compliant
