

XUYA210

A210 EMBOUT POUR FIBRE PLASTIQUE BARRAGE DROIT PORTEE 200MM

Compatibility

Product compatibility	XUYA005 XUYA00510 XUYA00550 XUYA212 XUYA213 XUYA220 XUYA310
-----------------------	---

Functional

[Sn] nominal sensing distance	200 m
-------------------------------	-------

Physical characteristics

Product weight	0.004 kg
----------------	----------

Product identification

Accessory / separate part category	Sensor accessories
Accessory / separate part designation	End fitting concept ecofiber
Accessory / separate part type	End fitting
Range of product	Osiris

Usage / Application

Accessory / separate part destination	XUY optic fiber without end fitting
---------------------------------------	-------------------------------------

Mouser Electronics
