AUTHORIZED DISTRIBUTOR CERTIFICATE

Mouser Electronics is dedicated to providing manufacturer warranted, first quality genuine components and adhering to the highest standards in customer service.

We hereby certify that Mouser Electronics is a supplier-manufacturer authorized distributor.

We hereby certify that all products sold by Mouser Electronics:

- Were obtained directly from the supplier-manufacturer or from supplier-manufacturer authorized channels.
- Were handled and stored in accordance with industry quality standards.

We also hereby certify that Mouser Electronics is a member in-good-standing of ECIA (Electronic Component Industry Association) and CEDA (China Electronics Distributor Alliance).

ECIA is a not-for-profit trade association representing companies involved in the supplier authorized distribution of electronic components and parts, computer and computer peripheral components and test, measurement and control equipment and their manufacturer-suppliers. ECIA encourages all customers to establish internal controls to ensure that all parts are purchased only from supplier authorized distributors. For more information visit:

<http://www.eciaonline.org/>

CEDA (China Electronics Distributor Alliance) is a not-for-profit industrial organization serving the needs of authorized electronics component distributors with operations in Greater China. CEDA's mission is to represent authorized distribution services in the China market, to strengthen cooperation between distributors and suppliers, encourage technical and service innovation, and work with the Chinese government to shape policies. For more information visit: <http://www.cedachina.org/>

If you have any questions about this certificate please contact me.

Sincerely,

Charles H. Amsden
Director of Quality
