

Resistors Product Change Notification

PCN Number and Title	2014-RBU02: End of Life Notification for 0.1% Tolerance RN55C, RN55E, RN60C, and RN60E Metal Glaze Resistors		
Notification Launch Date	September 19, 2013		
Type of Change	☒ End of Life Notification ☐ Manufacturing Facility Change or Addition ☐ Datasheet Specification Change ☐ Other: ☐ Material Change ☐ Process Change ☐ Design Change		
Manufacturing Location(s) Affected	Mexicali, Mexico	Date of Change Implementation	September 19, 2013

Products Affected		
Product Family	Datasheet Link(s)	Comment
0.1% Tolerance RN55C	http://www.ircct.com/file.aspx?product_id=197&file_type=datasheet	0.5% and 1% Tolerance parts are <u>not</u> affected by this notification
0.1% Tolerance RN55E		
0.1% Tolerance RN60C		
0.1% Tolerance RN60E		

Description of Change	TT electronics will no longer accept orders for 0.1% tolerance metal glaze resistors in the following product families: RN55C, RN55E, RN60C, and RN60E. Please note that 0.5% and 1% tolerance parts continue to be available for order.
Reason for Change	These parts have reached the obsolescence stage of the product life cycle.
Implementation Plan	Effective immediately, TT electronics will not accept orders for the affected products. Customers with outstanding orders for these parts will be given the opportunity to cancel orders at no charge. 0.5% or 1% tolerance parts can be used to fulfill existing orders. Please contact your local TT electronics representative with any questions.
Customer Impact	0.1% tolerance parts will no longer be available to customers.

Recommendations	TT electronics recommends that customers evaluate 0.5% and/or 1% tolerance parts as replacements.
Availability of Previously Manufactured Product	TT electronics has no existing inventory of the affected product families.
