Mouser Electronics Signs Global Agreement with Harvatek ***Stock includes colored SMT LEDs & HarvaLED Light Bars***

Mansfield, Texas, USA – November 16, 2009 – Mouser Electronics, Inc., known for its rapid introduction of the newest products, today announced it has signed an exclusive global catalog distribution agreement with Harvatek, a worldwide manufacturer and supplier of SMT LEDs.

Mouser's Harvatek stock includes surface mount LEDs in standard, mid-, and hi-power, which are available in a variety of colors. Also available are white HarvaLed Light Bars in three to twelve LED configurations. With Harvatek's wide variety of LEDs, Mouser can offer electronic design engineers across the globe a broad selection for their newest indication and lighting designs.

Mike Scott, Mouser Vice President of Active Products, states, "We are pleased to be adding Harvatek International to our optoelectronic linecard. Harvatek's high-volume manufacturing capabilities will enable Mouser to react quickly to ever-changing requirements in the lighting market."

According to Pete Perniciaro, Vice President of Sales for Harvatek International, "We believe that Mouser's worldwide customer base will be a tremendous asset to Harvatek. Our joint focus will be to develop and expand LED usage in both traditional applications and emerging solid state lighting products."

Known for its broad-based product line, unsurpassed customer service, and streamlined warehouse operations, Mouser continuously offers customers the most innovative products and latest technologies for their new design projects.
