**Harwin Presents Mouser with Worldwide
Catalog Distributor of the Year Award**

Mansfield, Texas, USA – June 10, 2010 – [Mouser Electronics](http://www.mouser.com), Inc., known for its rapid introduction of the newest products, today announced it was the recipient of the 2009/2010 Catalog Distributor of the Year award from [Harwin](http://www.harwin.com), a highly respected global designer and manufacturer of specialty interconnects.

The Harwin award was presented to Mouser in recognition of superior sales, service, and delivery on a global stage. This is the second win for Mouser in this category, progressing from 2009's North American Distributor of the Year to this year's global award.

Doug Steele, Harwin Global Vice President of Catalog Distribution, says Harwin is pleased to announce Mouser as the Global Catalog Distributor award winner for 2009/2010. "Mouser is key in providing design fulfillment resources to Harwin's account base worldwide. Harwin customers continually recognize Mouser's ability to service their needs with an in-depth, broad stockholding, as well as the superior service and expeditious dispatchment of Harwin's product."

Barry McConnell, Senior Vice President of Products, states, "It is our pleasure to accept the Worldwide Catalog Distributor of the Year award from Harwin. To be recognized by Harwin for our ability to introduce their new products and grow their customer base globally is a true honor." McConnell added, "Harwin is in the forefront of introducing new innovative products, which makes the relationship with Mouser so successful. We value our partnership with Harwin and look forward to continued success worldwide."

Known for its focus on design engineers with its broad product line, unsurpassed customer service, advanced on-line catalog and innovative product marketing, Mouser continuously offers customers the newest products and latest technologies for their new design projects.
