Littelfuse Awards Mouser with Catalog Distributor of the Year for Second Consecutive Year

Mansfield, Texas, USA – May 27, 2010 – [Mouser Electronics](http://www.mouser.com), Inc., known for its rapid introduction of the newest products, today announced it was presented with the 2009 Catalog Distributor of the Year award from [Littelfuse](http://www.littelfuse.com), the global leader in circuit protection.

Cited as the basis for the prestigious award was Mouser's leadership in product introductions, new business opportunities, capturing designed-in part registrations, and creative marketing and sales campaigns.

Gordon Hunter, Chief Executive Officer of Littelfuse, commented, "It is our pleasure to present this award to Mouser Electronics for the second consecutive year. Mouser is an outstanding partner that is dedicated to our company and our end customers. We commend the entire Mouser team for its strong and successful customer relationships and for providing exceptional support for our products. Mouser has delivered excellent business results to Littelfuse over the years and has been a significant contributor to our growth. We are proud to partner with this world-class company and to celebrate our mutual success."

Glenn Smith, President and CEO of Mouser, said, "This recognition by Littelfuse, the world leader in circuit protection, is an affirmation of our commitment to the rapid introduction of new products and to the world-class customer service we provide. On behalf of Mouser, it is a great honor to once again accept this award from Littelfuse." Smith added, "It is a pleasure to do business with Littelfuse and we will continue to do what we do best by introducing new products, expanding the customer base, and growing our businesses."

-- continued --

Known for its focus on design engineers with its broad product line, unsurpassed customer service, advanced on-line catalog and innovative product marketing, Mouser continuously offers customers the newest products and latest technologies for their new design projects.

Mouser Electronics' website with interactive online catalog is updated daily and searches over 5 million products to locate over a million part numbers available for easy online purchase. Plus, it houses downloadable data sheets, supplier-specific reference designs, application notes, technical design information and engineering tools.

About Mouser

Mouser Electronics, Inc. is an electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers. Mouser.com features more than a million products online from more than 400 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 270,000 customers in 170 countries from its 432,000 sq. ft. state-of-the-art facility in Mansfield, Texas. For more information, visit <http://www.mouser.com>.
