Mouser Electronics Receives Achievement Award from Tyco Electronics ***Tyco Electronics Recognizes Mouser for New Customer Expansion, Sales Milestones***

Mansfield, Texas, USA – August 28, 2007 – Mouser Electronics, Inc., known for its rapid introduction of the newest products, today announced it received an achievement award from Tyco Electronics for reaching a sales milestone.

“Mouser Electronics is a vital link between Tyco Electronics and the design engineering community by continued expansion of both its customer base and sales volume for Tyco Electronics products,” according to Ray Horner, Director of Tyco Electronics Distribution Sales and Marketing. “We are very proud to recognize Mouser as a valued distributor with their continued growth and marketing initiatives of Tyco Electronics products.”

“We are extremely pleased and honored to receive this achievement award from Tyco Electronics,” said Glenn Smith, Mouser President and CEO. “It’s extremely gratifying to be recognized for our success and we especially appreciate the recognition from such an industry leader as Tyco Electronics.”

Smith went on to say that innovative products from Tyco Electronics are key to the success of Mouser’s rapid new product launch programs that deliver a time-to-market advantage for its design engineering customer base

Mouser’s broad-based product line, unsurpassed customer service, and streamlined warehouse operations make the distributor the design engineer’s one-stop shop for all the board-level components necessary for total project design.

As one of the fastest growing global catalog distributors in the electronics industry, Mouser is the only major distributor to publish a new 1,900+ page print catalog every 90 days. In addition, its daily updated website contains over 850,000 products available for easy online purchase 24 hours a day, provides more than 677,000 downloadable data sheets, and over 1.5 million cross-references.
