Mouser Electronics Now Stocking AVX TAW Series Capacitors

Mansfield, Texas, USA — December 26, 2008 - Mouser Electronics, Inc., known for its rapid introduction of the newest products, today announced it is stocking new product from AVX Corporation.

The very reliable and fast-acting AVX TAW series Fused Tantalum Capacitor is a solid electrolytic, thin film fuse, molded, surface mount capacitor offering protection from possible damaging short circuit failure modes and high DC leakage currents. The AVX TAW Fused Tantalum Capacitor offers lower ESR limits than the competition. To learn more, visit <http://www.mouser.com/avxcorp>.

Mouser Electronics is the only major distributor to publish a new 2,184+ page print catalog every 90 days. In addition, its website with interactive online catalog is updated daily, contains more than a million products for easy online purchase, provides over 1.5 million cross-references, as well as more than 900,000 downloadable data sheets, supplier-specific reference designs, application notes, and other technical design information.
