## For Immediate Release

### AVX UT Series UltraThin Ceramic Capacitors Are In Stock At Mouser

**Mansfield, Texas, USA — March 29, 2011** - Mouser Electronics, Inc., regarded as a top global engineering design resource for semiconductors and electronic components, today announced it is stocking new product from AVX.

The AVX UT Series UltraThin Ceramic Capacitors were designed to meet stringent thickness requirements. The UT Series includes products < 0.35mm in height in case size 0402. AVX developed a new termination process (FCT - Fine Copper Termination), that provides unbeatable flatness and repeatability for these UltraThin Ceramic Capacitors. The AVX UT Series offers high quality MLCC with defined thickness for incorporating components into a PCB, Smart Cards, Memory modules, High Density SIM cards, mobile phones, MP3 players, ID cards/passports, and for any application where low profile is required.

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in emerging technologies. Mouser offers customers the latest, most technologically advanced components for their newest design projects. Mouser Electronics' website is updated daily and searches nearly 7 million products to locate over 1.8 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

#### **About Mouser**

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 1.8 million products online from more than 400 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 300,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit [www.mouser.com](http://www.mouser.com).
