

For Immediate Release

AVX VCAS Series TransGuard® Automotive MLVs

Mansfield, Texas, USA — May 03, 2011 - Mouser Electronics, Inc., regarded as a top design engineering resource and global distributor for semiconductors and electronic components, today announced it is stocking new product from AVX.

The AVX VCAS Series TransGuard® Automotive Multi-Layer Varistors (MLVs) provide bi-directional overvoltage protection and EMI/RFI attenuation in a single SMT package. Developed to guard against automotive related transients, the highly reliable AVX VCAS Series TransGuard® Automotive Multi-Layer Varistors offer high energy absorption, high current handling, bi-directional protection, multi-strike capability, and Sub 1nS response to ESD strike. The AVX VCAS Series TransGuard® Automotive Multi-Layer Varistors are AEC Q200 qualified and are ideal for internal combustion engine (ICE) vehicles, hybrid electrical vehicles (HEV), plug-in hybrid electrical vehicles (PHEV), and commercial vehicles.

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in emerging technologies. Mouser offers 17 global customer support locations and the latest, most technologically advanced components for customers' newest design projects. Mouser Electronics' website is updated daily and searches more than 7.5 million products to locate over 1.9 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

About Mouser

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 1.9 million products online from more than 400 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 300,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit www.mouser.com.

About AVX

AVX Corporation is the technology leader in the passive component and connector markets. Their commitment to provide the most advanced product performance ensures customers can engineer solutions to meet the latest market requirements. Mouser Electronics is an authorized distributor and key partner in the supply of AVX components to the Global market. For more information, visit <http://www.avxcorp.com/>.
