

## For Immediate Release

# Race to Mouser for the New AVX AA Series SpinGuard® Automotive Grade Capacitors!

**September 13, 2011** - Mouser Electronics, Inc., regarded as a top design engineering resource and global distributor for semiconductors and electronic components, today announced it is stocking new product from AVX.

AVX's AA Series SpinGuard® Capacitors are conformally coated automotive-grade AEC-Q200 axial leaded MLCs used in filtering and decoupling applications. AVX is the first to market the automotive-grade version of this type of capacitor. The AA Series SpinGuard® Capacitors are readily qualified to AEC-Q200 automotive compliance specification, eliminating the customer's need for additional PPAP. These capacitors are available in three styles (SA10, SA11, and SA30), rated voltage of 100V and 50V, and X7R temperature coefficients.

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in advanced technologies. Mouser offers customers 17 global support locations and the latest, most technologically advanced components for their newest design projects. Mouser Electronics' website is updated daily and searches more than 8 million products to locate over 2 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

### **About Mouser**

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 2 million products online from more than 450 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 300,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit [www.mouser.com](http://www.mouser.com).

**About AVX**

AVX Corporation is the technology leader in the passive component and connector markets. Their commitment to provide the most advanced product performance ensures customers can engineer solutions to meet the latest market requirements. Mouser Electronics is an authorized distributor and key partner in the supply of AVX components to the Global market. For more information, visit <http://www.avxcorp.com/>.
