Mouser Electronics Awarded the 2008 Catalog Distributor of the Year from Dialight

Sales growth and rapid introduction of new products cited

Mansfield, Texas, USA – July 29, 2009 – [Mouser Electronics](http://www.mouser.com), Inc., known for its rapid introduction of the newest products, today announced it was awarded the 2008 Catalog Distributor of the Year from Dialight. [Dialight](http://www.dialight.com) is recognized as a world leader in visual indicator components.

Robert E. Derringer, Dialight Channel and Marketing Director, says “When considering our choice as ‘Catalog Distributor of the Year’ for 2008, Dialight not only considered Mouser’s outstanding sales growth over the prior year, but also Mouser’s commitment to rapid introduction of Dialight’s new product offerings to the electronic design community. Mouser offers everything from Dialight’s 598 chipLED discrete LEDs and PCB indicators, to LED panel-mount indicators. Mouser makes it easy for engineers from a wide-range of industries to access Dialight’s diverse product offering and Mouser does so with speed and precision.”

“We are honored to accept the 2008 Catalog Distributor of the Year award from Dialight”, states Mike Scott, Vice President, Active Products. “To be recognized for our commitment to the rapid introduction of Dialight’s new products reinforces our objective of being the source for the newest products. It is a pleasure working with Dialight and we look forward to continuing our successful partnership”.

Known for its broad-based product line, unsurpassed customer service, and streamlined warehouse operations, Mouser continuously offers customers the most innovative products and latest technologies for their new design projects.
