Mouser is First to Stock the New Everlight 3528 0.06W Top View LEDs!

Mansfield, Texas, USA — January 10, 2011 - Mouser Electronics, Inc., regarded as a top global engineering design resource for semiconductors and electronic components, today announced it is stocking new product from Everlight.

Everlight 3528 0.06W top view LEDs provide an efficiency degree of 100 lm/W, giving designers the most performance from the least amount of power consumption. Everlight 3528 high-luminous-intensity LEDs are an ideal fit for a wide range of lighting applications, including general lighting, decorative / entertainment light, indicators, switch lights, and more. Everlight 3528 top view LEDs offer a wide viewing angle and come in a compact P-LCC-2 package.

With its broad product line and unsurpassed customer service, Mouser caters to design engineers by delivering What's Next in emerging technologies. Mouser offers customers the latest, most technologically advanced components for their newest design projects. Mouser Electronics' website is updated daily and searches nearly 7 million products to locate over 1.8 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

About Mouser

Part of Warren Buffett's Berkshire Hathaway, Inc., Mouser Electronics, Inc. is an award-winning semiconductor and electronic component distributor, focused on the rapid introduction of new products and emerging technologies to electronic design engineers. Mouser.com features more than 1.8 million products online from more than 400 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 300,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility, located south of Dallas, Texas. For more information, visit www.mouser.com.
