

For Immediate Release

New KEMET TSM Series Tantalum Stack Capacitors are In Stock at Mouser!

December 29, 2011 - [Mouser Electronics, Inc.](http://www.mouser.com), regarded as a top design engineering resource and global distributor for semiconductors and electronic components, today announced it is stocking new product from KEMET.

KEMET's Tantalum Stacks MnO_2 (TSM Series) Capacitors were designed to provide the highest capacitance/voltage ratings in surface mount configuration. The TSM stacked capacitor Series from KEMET is comprised of stacks of 2, 3, 4, and 6 T493 COTS capacitors to accomplish a broad range of capacitance and voltage ratings. In addition, this high reliability capacitor series offers capacitance range of 9.4 μF to 1980 μF , voltage ratings of 6-50VDC, component level Weibull grading options, surge current testing options, and high volumetric efficiency.

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in advanced technologies. Mouser offers customers 19 global support locations and the latest, most technologically advanced components for their newest design projects. Mouser Electronics' website is updated daily and searches more than 8 million products to locate over 2 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

About Mouser

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 2 million products online from more than 450 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 300,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit www.mouser.com.

About KEMET

KEMET Corporation is a world leader in the manufacture of the solid tantalum capacitor, the fourth largest manufacturer of the multilayer ceramic capacitor, and a leader in the development of the solid aluminum capacitor. The company's strategy is to be the preferred capacitor supplier at each of the world's most successful electronic companies.
