Littelfuse Slo-Blo Pigtail Fuse Series: 875 & 877

Mansfield, Texas, USA — July 10, 2009 - Mouser Electronics, Inc., known for its rapid introduction of the newest products, today announced it is stocking new product from Littelfuse.

The Littelfuse's compact Slo-Blo Single Pigtail Fuse, Series 875 and 877, features an axial lead in a ceramic body. These are the first 3.6 x 10mm Single Pigtail Fuses on the market. Littelfuse's series 875 and 877 fuses offer a more compact footprint by doing away with conventional over-capping while achieving higher I²T values. Lead-free and RoHS compliant, both series have UL approval and are typically used within power supply and adaptor applications.
