Murata Power Solutions MER1 Series 1W DC/DC Converter is higher performance Version of the NMR Series

Mansfield, Texas, USA — November 20, 2009 - Mouser Electronics, Inc., known for its rapid introduction of the newest products, today announced it is stocking new product from Murata Power Solutions.

The Murata Power Solutions MER1 Series of 1W DC/DC Converters is the new high performance version of the NMR series. The MER1 series is more efficient and offers improved regulation performance for applications that cannot tolerate a wide output voltage variation. Murata Power Solutions' MER1 1W DC/DC Converters are ideally suited for providing local supplies on control system boards with the added benefit of 1kVDC galvanic isolation to reduce switching noise.
