Where can you get Neutrik TINY XLR Connectors?

Mansfield, Texas, USA — January 29, 2010 - Mouser Electronics, Inc., known for its rapid introduction of the newest products, today announced it is stocking new product from Neutrik.

Neutrik offers TINY XLR Connectors for cable and chassis connections. The easy-to-assemble robust metal connectors feature a shielded housing system for high noise immunity and EMI protection. The intuitive and rugged locking mechanism provides a secure mating connection while a keyed insert and chuck helps to avoid mispositioning/rotation of the cable while providing excellent millionfold chuck style strain relief. The Neutrik TINY XLR Connectors feature a watertight chassis connector, even in an unmated condition, and the cable connectors feature an optional sealing boot for water/sweatwater protection. The Neutrik XLR Connectors are offered in both 3-pole and 4-pole versions. To learn more, visit
