## The New Silicon Labs CP21xx Smart Interface Connectivity Bridges are In Stock at Mouser Electronics!

**Mansfield, Texas, USA — December 10, 2010** - Mouser Electronics, Inc., known for its rapid introduction of the newest products, today announced it is stocking new product from Silicon Labs.

The Silicon Labs CP2104, CP2105, CP2110, and CP2112 connectivity bridges are the latest additions to Silicon Labs' industry-leading Smart Interface family. The Silicon Labs CP21xx family of devices extends the Smart Interface portfolio to include cost-sensitive USB to UART (CP2104), USB to Dual UART (CP2105), HID-USB to UART (CP2110), and HID-USB to SMBUS / I<sup>2</sup>C bridge (CP2112) solutions. Common to the CP2104, CP2105, CP2110, and CP2112 connectivity bridges are royalty-free software driver suites, crystal-less operation, in-system programming memory, and small 4 mm x 4 mm packages that in combination reduce cost, simplify design, and shorten development time. CP21xxEK evaluation kits allow for complete evaluation and customization of these devices.

With its broad product line and unsurpassed customer service, Mouser offers customers the latest, most technologically advanced components for their newest design projects. Mouser Electronics' website is updated daily and searches over 6.7 million products to locate over 1.8 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

### **About Mouser**

Mouser Electronics, Inc. is an electronic component distributor, focused on the rapid introduction of the newest products and technologies to electronic design engineers. Mouser.com features more than a million products online from more than 400 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 280,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility in Mansfield, Texas. For more information, visit [www.mouser.com](http://www.mouser.com).
