Mouser Electronics Named Catalog Distributor of the Year by KEMET

May 21, 2012 – [Mouser Electronics](http://www.mouser.com), Inc., regarded as a top design engineering resource and global distributor for semiconductors and electronic components, has won Catalog Distributor of the Year from [KEMET](http://www.kemet.com). The prestigious award was announced during the recent EDS (Electronic Distribution Show) event in Las Vegas and will be presented to Mouser at the distributor's global headquarters in June.

KEMET Corporation offers the world's most complete line of surface mount and through hole capacitor technologies across tantalum, ceramic, film, aluminum, electrolytic, and paper dielectrics. Mouser was measured against its competition in a variety of categories including total sales growth, new product introductions, customer growth, marketing capabilities, and overall process excellence.

"We are very honored to receive this prestigious award from our friends at KEMET," states Andy Kerr, Mouser's Vice President of Passives. "Design engineers trust Mouser to introduce the newest products from KEMET, as well as provide the highest level of customer service through concise product data, immediate product availability, local customer service, and timely, global delivery. KEMET has provided us with a broad selection of high-performance capacitors which are sought after by today's design engineers. We value our partnership."

"The collaborative teamwork and unique marketing programs we have produced with Mouser Electronics continue to be a strong driver to the ongoing growth of our company," says Jim Bruorton, KEMET Vice President of Global Distribution Sales and Business Development. "In the past two years, Mouser has met and exceeded our expectations for marketing and sales of KEMET products. We gladly honor the Mouser team with this award and look forward to continued success together."
