

New Product Announcement

Mouser Offers New Panasonic AN260xxA LNAs

April 3, 2013 – [Mouser Electronics](http://www.mouser.com), Inc. is now stocking AN260xxA low-noise amplifiers from [Panasonic](http://www.panasonic.com). This new series of LNAs combine ultra-small package size with high frequency performance, low noise and low power consumption.

Panasonic AN260xxA LNAs use a 0.18 μ SiGeC Bi-CMOS process to obtain their high performance specifications. AN260xxA LNAs boast a wide frequency range (40MHz to 5GHz) that satisfies the needs of a variety of applications, including smart phones, mobile DTV, GPS, WiFi, WIMAX, WLAN, and more. These devices are housed in an ultra-small package, making it easier for designers to achieve space savings. Learn more about these high-performance amplifiers at <http://www.mouser.com/panasonic-an260xxa>.

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in advanced technologies. Mouser offers customers 19 global support locations and stocks the world's widest selection of the latest semiconductors and electronic components for the newest design projects. Mouser Electronics' website is updated daily and searches more than 10 million products to locate over 3 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

About Mouser Electronics

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning, authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 3 million products online from more than 500 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 375,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit <http://www.mouser.com>.

About Panasonic

Panasonic Corporation and its subsidiaries (Panasonic Batteries, Panasonic Electric Works & Panasonic Electronic Components) are innovators in consumer electronics and technology products. Panasonic Corporation was named to the 2008 Global 100's list of the Most Sustainable Corporations in the World.
