### **Mouser Named Littelfuse Catalog Distributor of the Year for Fourth Consecutive Year**

**May 29, 2012** – [Mouser Electronics](#), Inc., regarded as a top design engineering resource and global distributor for semiconductors and electronic components, has been honored by [Littelfuse](#), Inc. as the 2011 Catalog Distributor of the Year for the fourth consecutive year. The announcement was made at the recent Electronic Distribution Show and Conference (EDS) in Las Vegas.

As the global leader in circuit protection, Littelfuse annually recognizes one distributor to receive the prestigious award. Littelfuse based its decision on Mouser's leadership in product introductions, pursuit of new business opportunities, and creative marketing and sales campaigns.

"Receiving this top award from Littelfuse is a great honor," says Glenn Smith, Mouser Electronics' President and CEO. "We are very pleased to once again accept this recognition from our friends at Littelfuse. We will continue working with Littelfuse to launch their newest circuit protection technologies, to jointly expand our customer base, and grow our business together."

"For the fourth year in a row, Mouser has proven itself to be an outstanding partner, and we are proud to present the company with this award," states Gordon Hunter, Littelfuse President and CEO. "We congratulate the entire Mouser team on their track record for establishing and maintaining strong customer relationships and for giving our products their full support. As we continue our partnership with Mouser, we look forward to many mutually rewarding opportunities in the future."

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in advanced technologies. Mouser offers customers 19 global support locations and the latest, most technologically advanced components for their newest design projects. Mouser Electronics' website is updated daily and searches more than 8.9 million products to locate over 3 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

### **About Mouser Electronics**

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 3 million products online from more than 450 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 375,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit <http://www.mouser.com>.

### **About Littelfuse**

Founded in 1927, Littelfuse, Inc., the worldwide leader in circuit protection, offers the industry's broadest and deepest portfolio of circuit protection products and solutions. Littelfuse devices protect products in virtually every market that uses electrical energy, from consumer electronics to automobiles to industrial equipment. In addition to its Chicago, Illinois, world headquarters, Littelfuse has more than 30 sales, distribution, manufacturing and engineering facilities in the Americas, Europe and Asia. Technologies offered by Littelfuse include [Fuses](#); [Gas Discharge Tubes \(GDTs\)](#); [Positive Temperature Coefficient Devices \(PTCs\)](#); [Protection Relays](#); [PulseGuard® ESD Suppressors](#); [SIDACtor® Devices](#); [TVS Diode Arrays \(SPA™ Family of Products\)](#); [Switching Thyristors](#); [TVS Diodes](#) and [Varistors](#). The company also offers a comprehensive line of highly reliable [Electromechanical and Electronic Switch and Control Devices](#) for commercial and specialty vehicles, as well as underground [Power Distribution Centers](#) for safe control and distribution of electricity in mining operations. For more information, please visit Littelfuse's Web site at [www.littelfuse.com](http://www.littelfuse.com).
