

Protect Your Components in Style

BUD delivers the finest component-guarding solutions available. Whether you require the most secure, NEMA rated enclosure, or you are seeking high-style protection, BUD offers a vast array of standard and custom enclosures.

To protect components from dirty, harsh, wet, and flooded environments, rely on BUD's NEMA 4X rated SN/SNB Series, ANS Series, and NB Series enclosures in steel, die-cast aluminum or polycarbonate, respectively. And don't sacrifice style for protection – get them both with steel, glass, plastic or transparent options from BUD's Wall Mount Emperor series, BT series, and Grabber series enclosures.

Experience Mouser's time-to-market advantage! Our vast selection of the NEWEST products, NEWEST technologies, **new catalog every 90 days**, no minimums, and same-day shipping on most orders, gets you to market faster. We make it easy to do business with Mouser! For more information or to purchase Bud products online, visit www.mouser.com/bud/d today!
