MEC Product Change Notification  
Re: STANDARD Legends

MEC Customers,

Effective **October 1, 2015**, the legends for MEC caps will change to allow MEC to better and more quickly serve the majority of its customers as outlined below.

MEC legend information can be found at:

[http://www.mec-switches.com/files/MEC/Technical-specifications/Multimec\\_caps\\_standardcustom\\_legends.pdf](http://www.mec-switches.com/files/MEC/Technical-specifications/Multimec_caps_standardcustom_legends.pdf)

#### **MULTIMEC CAPS**

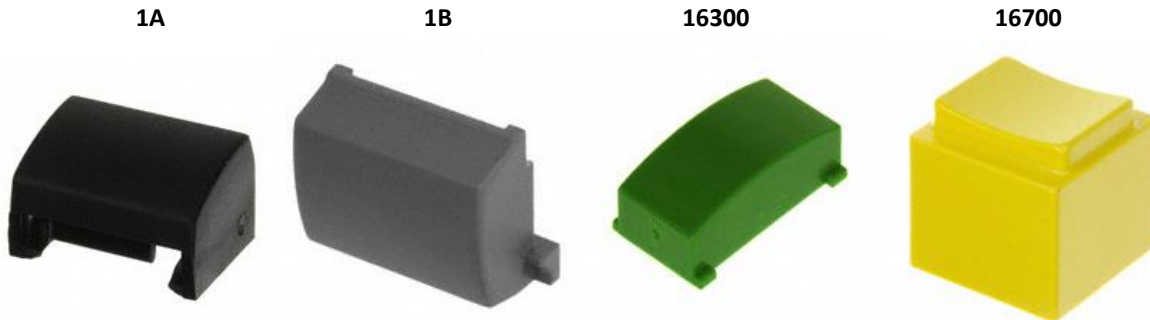

1A: no standard legends – all 1A caps with legends will be considered customs.

1B: 0-9 (legend codes 000-009) will be standard for both up and down versions. All other will be considered customs.

#### **UNIMEC CAPS**

16300: 0-9 (000-009), right arrow (033), and up arrow (034) will be standard. All other will be considered customs.

16700: 0-9 (000-009), right arrow (033), and up arrow (034) will be standard. All other will be considered customs.

A handwritten signature in black ink that reads "David Allen".
