PA-295701

Product Advisory Notice

Issue Date: June 24, 2025

Advisory Type:

Supply Chain Continuity

Description:

Broadcom is adding Foxconn in Mexico as an optional backend contract manufacturer. The boards will continue to be manufactured at their current location. They will optionally be shipped to Foxconn Mexico for backend processing. This primarily includes loading the FW and running functional test.

Parts Affected:

Part Number	Description
05-50077-00	9560-16i SINGLE KIT, 8GB, GA, 00
05-50077-01	9560-8i SINGLE KIT, 4GB, GA, 00

Effect of Change:

There is no change to form, fit, or functionality.

Effective Date of Change:

Board adapters will begin using this flow on or after August 1, 2025

The changes to these Broadcom parts have been reviewed and approved by Broadcom engineers and managers per Broadcom procedure: Change Control and Customer Notification A-5962-6052-80.
Please contact your Broadcom Inc. field sales engineer or Contact Center (http://www.broadcom.com/contact/) for any questions or support requirements. Please return any response as soon as possible, but not to exceed 30 days. Lack of acknowledgement within 30 days constitutes acceptance of the change per JEDEC J-STD-046.
