

Product Change Notice

Issue Date: 18-Aug-2026

Change Description:

Introduction of alternate tray supplier.

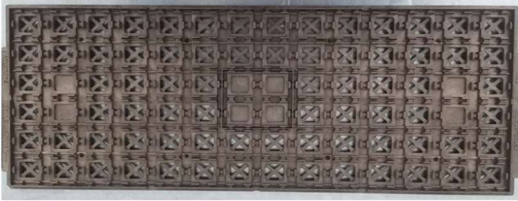

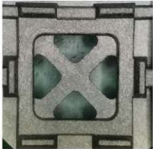

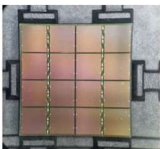

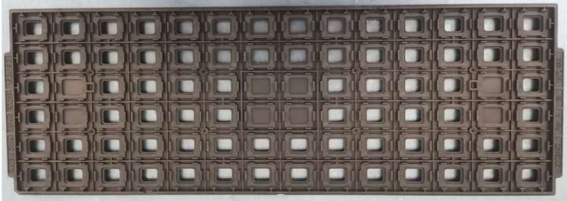

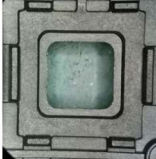

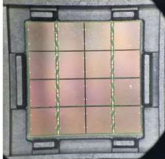

Parts Affected:

AFBR-S4N44P164M

Description and Extent of Change:

We have successfully qualified an alternate tray supplier.

This qualification was intended to maintain our strict performance and reliability standards while establishing a more sustainable supply chain. The new alternate tray complies with standard JEDEC outline dimensions and remains stackable.

Current Supplier	Alternate Supplier
  	  

Reasons for Change:

To reduce supply chain risks and ensure continuous supply.

Effect of Change on Fit, Form, Function, Quality, or Reliability:

No impact on Fit, Form, Function, Quality, or Reliability.

Effective Date of Change:

Product shipments using this change will begin after 18 Nov 2026. The exact timing for the shipment of the new tray will vary based on customer demand and current inventory levels.

Qualification Data:

Qualification samples will be available upon request.

Please contact your Broadcom field sales engineer or Contact Center for any questions or support requirements. Please acknowledge receipt of the notice within 30 days of delivery. Lack of acknowledgement within 30 days constitutes acceptance of the change per JEDEC J-STD-046.
