

Product Obsolescence Notification

PON#: PON-20210603-F02A0
Issue Date: June 03, 2021

Dear Customer,

Broadcom announces the obsolescence of the following OSD Products.

The part numbers have approached the end of product life cycle. As a result Broadcom has to announce obsolescence for the following products. A suggested replacement with the same form factor and reach is indicated in the table below. These replacements may not inter-operate with the original products.

Broadcom P/N	Product Description	Suggested replacement P/N
AFCT-5701xxx-xxx		
AFCT-5705xxx-xxx		
AFCT-5710xxx-xxx		
AFCT-5715xxx-xxx	1G LX SFP	AFCT-725SMZ

This notification is effective June 03, 2021. The key milestones are:

Last Time Buy Date is December 03, 2021, allowing 6 months for final customer orders.

Last Time Ship Date is June 03, 2022, allowing 6 months for final shipments.

**Special exceptions may apply for specific customers.*

Please note that orders will be accepted on a non-cancellable, non-returnable (NCNR) basis only. Broadcom reserves the right to limit last time buy quantities based on capacity and material availability.

If you have any questions about this obsolescence, please contact your Broadcom Field Sales Engineer or Contact Center (<https://www.broadcom.com/company/contact>) for any questions or support requirements.
