

產品變更通知書

PRODUCT CHANGE NOTIFICATION

To Whom It May Concerns:

Please kindly be notified with the change in Class 2 for terminal plating tech. Thank you!

事由 Subject							
檔案編號 File No.	181214						
公告日期 Issue Date	181214						
變更生效日期 Date of Change Activated	計畫由 2019/08/01 全面切換 Plan to switch from 2019/08/01						
變更範圍 Series/Model Affected	生產廠: 台灣, 越南, 菲律賓工廠 Manufacturing plant: Taiwan, Vietnam, Philippines plant 規格範圍: 請見附件一 Model range: Please refer to appendix 1						
變更層級/類別 Level/Classification of Changes	Class2 客戶知悉/Customter Acknowledge ■ 其他變更/Others [端子電鍍方式/Terminal plating method]						
變更內容說明 Descriptions of Changes	<table><thead><tr><th>變更前 (Before change) 鍍鉛錫 (Tin-lead plating)</th><th>變更後 (After change) 鍍錫 (Tin plating)</th></tr></thead><tbody><tr><td></td><td></td></tr><tr><td></td><td></td></tr></tbody></table>	變更前 (Before change) 鍍鉛錫 (Tin-lead plating)	變更後 (After change) 鍍錫 (Tin plating)				
變更前 (Before change) 鍍鉛錫 (Tin-lead plating)	變更後 (After change) 鍍錫 (Tin plating)						
							
							
變更背景原因 Reasons for Changes	因應越南環保法規對於廢水排放重金屬含量(QCVN 40: 2011 /BTNMT; WATER QUALITY), 當地端子供應必須由鍍鉛錫更改為鍍錫. 台灣/菲律賓廠生產使用相同部品之規格生產一起變更切換. Due to the limit of heavy metal content in waste water listed in environmental regulation in Vietnam (QCVN 40: 2011 /BTNMT; WATER QUALITY), the terminal supply should be changed from Tin-lead plating to Tin plating. The change will cover models supplied from Taiwan/Philippines plant if using the same parts.
