

Product Change Notice: 1018

Reference ECN #:

Dear Valued Customer,

We have found it necessary to make the change described below to a component we manufacture for your company. Please update your records as necessary.

Coilcraft Design Change

Coilcraft Part #: PFL2015-XXXX_X Series	Customer: All	Customer Part #: Various
---	-------------------------	------------------------------------

Description of Change:

- Terminal size increase from 0.012" to 0.017"
- Temperature rating increased from 85C Ambient / 125C part temp to 125C Ambient / 140C
- Adding AEC Qualification

Reason for Change:

Increase terminal adhesion and rating to AEC Q200 standards.

Expected Effects Due to Change:

Increased reliability. No change to electrical performance. New terminals will fit on existing recommended land pattern.

Implementation Date:

Will become effective for all product built after December 1st, 2024

Product Engineer: Kurt Smith **Date:** 09/11/2024
