

Date: February 4, 2019

The **51060HIC125** humidity indicator card will now be marked with “Meets Type 1 requirements under J-STD-033D”. This will replace the previous wording, “Complies with IPC/JEDEC J-STD-033C”.

Old Artwork

New Artwork

This is strictly a visual change to reflect compliance with Type 1 requirements for **IPC/J-STD-033D**. There has been no change to the fit, form or functionality of the product.

Key Dates/Traceability: Product marked with 1905002 date lot code, and date lot codes following (1905003, 1905004, etc.) will reflect these new changes.
