AFFECTED CHANGE CATEGORIES

- SHIPPING/PACKAGING MATERIALS

DESCRIPTION OF CHANGE

In an effort to reduce unnecessary packing material waste, FSL is announcing the transition from 13 inch reels to 7 inch reels on PLD1.5 products.

For the current 13 inch reel, there is a pink foam spacer ring. The pink foam spacer ring is no longer necessary for the 7 inch reel as the carrier (Pocket) tape will fill the entire 7 inch reel.

There is no change to the carrier (pocket) tape, device, reel quantity, etc.

Conversion will occur with the depletion of existing 13 inch reel inventory, estimated to occur in October 2013 but could change without notice due to change in product demand.

REASON FOR CHANGE

To reduce unnecessary packing material waste.

ANTICIPATED IMPACT OF PRODUCT CHANGE(FORM, FIT, FUNCTION, OR RELIABILITY)

Smaller 7 inch reel

Freescale will consider specific conditions of acceptance of this change submitted within 30 days of receipt of this notice on a case by case basis. To request further data or inquire about the notification, please enter a [Service Request](#).
