**Business Unit:** Electronics **PI/24/017/C+N-US**  
**Product Range:** Board Connectors / DIN Signal + har-bus **Date:** 03/06/2024  
 64  
**Title:** **Package change for single Crimp contacts DIN BC and har-bus**  
 64

## Details of News

1. Concerned Part Numbers		
PN	Description	
02050001513	har-bus® 64 Female, PL 1, Single contact	
02050002513	har-bus® 64 Female, PL 2, Single contact	
09020008474	DIN-Signal BC Female, PL 1, Single contact	
09020008484	DIN-Signal BC Female, PL 2, Single contact	
2. Description of News		
<p>For packaging optimization, HARTING is changing the packaging for the DIN signal type BC and har-bus 64 crimp contacts. The new package will have 1,000 crimp contacts between two layers of foam materials in a paper box.</p> <p>This packaging optimization is implemented to prevent any damage for the contacts during shipping.</p>		
3. Implementation		
The change will be implemented starting April 2024 after all stock of the old packaging has been depleted.		
4. Datasheet		
For updated specifications and drawings, please check the eCatalogue.		
5. Appendix (Optional)
