Title: Adapter for RJ45 Module

Page 1/2

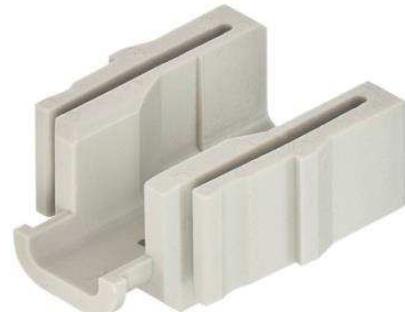

Dear Customer,

We would like to inform you about a small design change in the RJ45 module adapter (**p/n: 09 14 000 9966**).

Old design

New design

The difference between the old and the new design is the additional flange to fix the RJ45 patch cable with a cable tie, as shown in the above pictures.

There will be no change in price or part number; however there will be a new internal revision number change as shown below.

Current p/n: 09 14 000 9966.00

New p/n: 09 14 000 9966.01

This change will take effect in May 2013.

Mixed inventories are possible during the transition period.
