Dear Customer,

Re: Obsolescence notification for Harwin product.

Please be advised that there are a number of individual items that are now obsolete. Some of these items have a Last Time Buy date – please check the attached spreadsheet list for specific details. The rest of the items are obsolete with immediate effect; stocks may remain of a few items, but most of these have not been manufactured in more than 6 years. Please see the attached spreadsheet for a complete list of affected items (there are two sheets in the spreadsheet, please check both). Here is a summary of affected ranges:

- Various Turned items starting H
- Various Standard products for Farnell and RS
- 3423-2316
- Various tools relating to obsolete products
- A selection of other special items

Unfortunately, we are no longer able to support these product lines.

If you have any further questions regarding this letter, please do not hesitate to contact us.

Yours faithfully,

The Product Management Team
technical@harwin.com

If you have not been sent the accompanying spreadsheet, please request it from the contact that sent you this letter.
