To All Kamaya Customers

Re: End Of Life for Carbon Composition 1 watt

Effective immediately, Kamaya announces the discontinuation of production on the RC 1 series carbon composition resistors due to continued decline in global demand. The last date you can order this part is no later than August 30, 2014 and take delivery no later than 12/31/14.

Kamaya will continue to manufacture the RC ¼ and RC ½ series carbon composition resistors and there is no end of life date set.

If you have any questions please let us know.

Sincerely

Michael Liebing

Sales Manager
