1S Split Mid-Piece Length Modification

Summary of Product Update:

- 1) 1S split mid-pieces are now longer in length and will have a new part number
- 2) PCA free receptacles will now be able to use New keyed 1S inserts

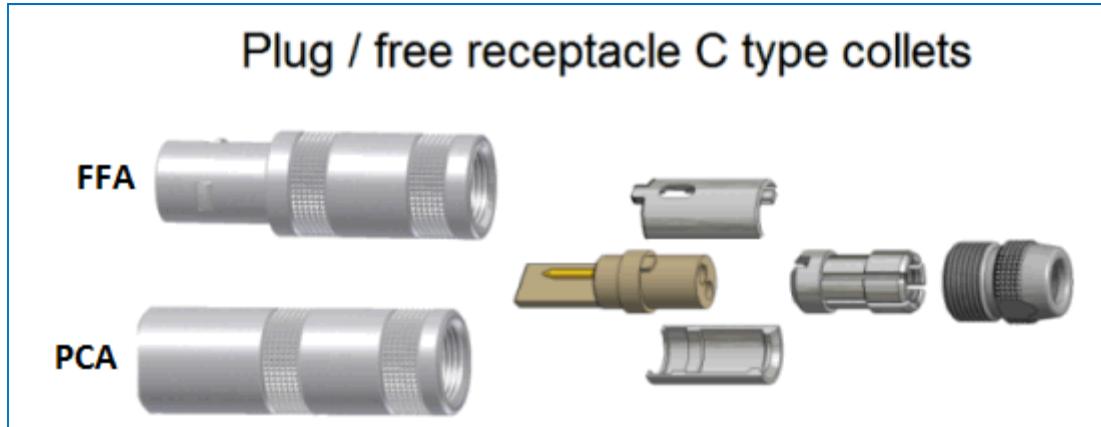

Details of Product Change:

- 1) The 1S split mid-pieces will be 1mm longer and will have a "T" at the end of the part number (FGG.1S.155.LNNT).

Details of change (continued)

- 2) The new new split mid-pieces will allow the use of the New 1S keyed inserts (Ref: Product Update #114) to fit both FFA free plugs and PCA free receptacles with C type collets:

- 3) The longer mid-pieces might modify the strip length for assembly. The most up to date assembly instructions are available at http://intra.lemo.ch/acctools/S_series_assembly_instructions.pdf.

Effective Date of Change:

Product with the new collets and split mid-pieces will begin shipping when legacy inventory is depleted.

If you have any questions or concerns regarding this change, please contact Customer Service or Applications Engineering at 1-800-444-5366 or email: info@lemousa.com

Thank you for your continued support of LEMO products!
