RE: PCN – Littelfuse Electronics Sensors Plant Transfer

To our valued customers,

Littelfuse would like to notify you of an upcoming manufacturing transfer affecting many Littelfuse® and Hamlin® brand sensors products. All sensors related operations Suzhou, China will be transitioned to Dongguan Littelfuse Electronics Co. Ltd. in Dongguan, China. The affected sensors product series include:

59045, 59050, 59165, 59166, 59170, 59022, 59025, 59030, 59040, 59065, 59070, 59105, 59125, 59135, 59140, 59145, 59150, 57105, 57125, 57135, 57140, 57145, 57150, 57045, 57050, H-35, 57022, 57025, 57030, 57065, 57070 and any custom sensors currently manufactured in Suzhou.

Qualification efforts are underway and sample products will be ready for shipment in **October 2015**. The transfer will continue until the end of **2015**. By **December 2015**, all affected sensors will be ready to ship from Dongguan Littelfuse Electronics Co. Ltd.

This transfer will enable Littelfuse to provide the best in class product and service to our customers. All affected products will be fully qualified in the new factory in accordance with established performance and reliability criteria. Full qualification data and/or samples will be available upon request as each product series is prepared for transfer.

Form, fit, function changes: None
Part number changes: None
Distinction of products: Box and Label may change

This notification is for your information and acknowledgement. If you require specific data or product samples to certify this change, please contact Littelfuse® within 30 days of the notification date. This notice is subject to change, and, as such Littelfuse is committed to provide updates, if there are any changes to the transfer plan outlined above.

If you have any other questions or concerns, please contact your local Littelfuse sales office.

We value your business and thank you for your continued support.

Best Regards,
