Subject: Addition of second sources for MELF Non magnetic package plating
PCN #: PCN-00546

Dear Valued Customer:

M/A-COM Technology Solutions has a goal of ensuring uninterrupted supply. In support of this goal, we are pleased to announce that we have added second sources of supply for ceramic package plating.

Semi Conductor Industries and Kyocera, both already approved package suppliers, are now approved for ceramic package plating. All materials, specifications, and standards remain unchanged. This change will not affect form, fit, function or reliability.

You are receiving this notification because you have purchased the below referenced parts in the past two years.
