| Series | 105142 | June 24, 2015 |
|--------|--------|---------------|

Date Issued

|                   |                          |
|-------------------|--------------------------|
| Reason For Change | Product Component Change |
|-------------------|--------------------------|

|                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Change Description | This is to specially inform valued cusotmer as requested of the change to LGA Sockets to Modify housing core outs and finger relief to reflect the "test probes" cut outs and finger relief shown on Intel drawings. The changes does not affect the form, fit and function of the product .This change was made so that our parts are visually similar to Intel drawings. the change had implemented in wk24,2014 and it was running change and no special reminding needed. |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
