

Global Change Notification (GCN)

Product Family	Stac64	10691780
		GCN Number
Series	34707 , 34708, 34997, 34937	June 01, 2015
		Date Issued
Reason For Change	New, Modified, Or Replacement Tooling	
Change Description	The purpose of this letter is to inform you that we are making one more stacking machine for stac64 multi-bays header to expand the capacity. Affected series are:34707,34708,34997,34937. All validation is in process and we are expecting to have the Stac64 multi-bays headers manufactured out of this new stacking machine in the middle of June 2015. This will expand our capacity for this growing product line. PPAP's can be supplied at your request and can be communicated through your local Molex Sales Representative. We thank you for choosing Molex products. In case of any comments and questions, please feel free to contact us.
