Change Type Description	This letter is to inform you that changes are being made to the part(s) identified in this Notice. The change may affect the fit, form, function or appearance of the parts, or it may result in a change to the specification. The pictures below show an example of the possible differences.		
Assessment of Change	First article inspection		
Internal Molex Qualification Date	June 01, 2018		
Sample Availability Date (Changed Part)	June 01, 2018		
Planned Implementation Date	August 01, 2018		
Method of Identifying Change	Date code		

Before Change

- A change is being made to the existing TPA (Terminal Position Assurance) to accommodate the CPA (Connector Position Assurance).
- Before

After

After Change

Overview

- A change is being made to the existing TPA (Terminal Position Assurance) to accommodate the CPA (Connector Position Assurance). This will be a running change, part numbers will stay the same. The current TPA can still be used with the Mini-Fit TPA2 receptacles and plugs. However, the current parts are not CPA compatible.
- Product Impact
 - The form changed.
- Part Number Impact
 - See attached impacted parts list
- Qualification Reports and samples available upon request after the date shown above

Product Change Notification (PCN)
