

Product Change Notification (PCN)

PCN Number	505307	Date Issued	April 18, 2018
Reason for Change	Capacity change or tool replacement		
Change Type Description	This letter is to inform you that another set of tooling is being added to meet the current and future demands of this product. There will be no changes in the fit, form or function from the additional tooling when compared to the current tooling.		
Reason for Short Notice	Special Request		
Assessment of Change	Product will be fully qualified before it is shipped. Qualification reports are available upon request.		
Internal Molex Qualification Date	March 31, 2018		
Sample Availability Date (Changed Part)	March 31, 2018		
Planned Implementation Date	April 13, 2018		
Method of Identifying Change	Product made after planned implementation date can contain the change		

RELEASED

Before Change

- Currently material is not removed at the window portion for 7-14 ckt. These 7-14 ckt parts are produced with mold L4169502 at Lincoln.
- Series 41695 parts will be transferred to India in future. Molex India is building a new mold (L4169504) to replace current running mold L4169502. Hence for mold design flexibility/quality improvement, Molex India is planning to remove the material at the window portion.
