RELEASED

Before Change

- Reviewed LEVER for 3A «21x21» plastic housings

After Change

Overview on Product Change Notification:

- Addition of «GWConnect» logo to the body of the thermoplastic lever for 3A «21x21» housings, with the purpose to liven up the product. The upgrade has been suggested at the time of mould remaking.
- The change will impact just the appearance of the product. No impact to form and function.
- See attached impacted part list.
- Qualification reports and samples available upon request.
