

# Product Change Notification (PCN)

|                                            |                                                                                                                                                                                                           |             |               |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|---------------|
| PCN Number                                 | 505547                                                                                                                                                                                                    | Date Issued | June 25, 2018 |
| Reason for Change                          | Equipment Transfer, Production Transfer or Rearrangement                                                                                                                                                  |             |               |
| Change Type Description                    | This letter is to inform you that production of the part(s) identified in this notice is being moved to a different production location. No changes will be made to the product as a result of this move. |             |               |
| Reason for Short Notice                    | New Capacity                                                                                                                                                                                              |             |               |
| Assessment of Change                       | First article inspection                                                                                                                                                                                  |             |               |
| Internal Molex Qualification Date          | July 13, 2018                                                                                                                                                                                             |             |               |
| Sample Availability Date<br>(Changed Part) | July 13, 2018                                                                                                                                                                                             |             |               |
| Planned Implementation Date                | December 27, 2018                                                                                                                                                                                         |             |               |
| Method of Identifying Change               | Date code                                                                                                                                                                                                 |             |               |

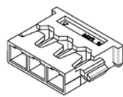

## Before Change

### Before

- Series 78171 and 78172 molding process at Molex Malaysia.
- Due to in house molding capacity constraint, add subcon for molding manufacturing process.
- Molex Malaysia Part Number(s) Affected: 78171551X (6~8p) & 781725007.

78171

78172

## After Change

### After

- Molding process will be at Subcon side that located in Malaysia.
- Product Impact
  - There will be no impact to fit, form or function.
  - no change in design, process on the mold, therefore no change in the Molex assembly part number will occur.
- Qualification Reports and samples available upon request after the date shown above

## Product Change Notification (PCN)
