

# Product Change Notification (PCN)

|                                            |                                                                                                                                                                                                                                                         |             |                 |
|--------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-----------------|
| PCN Number                                 | 505891                                                                                                                                                                                                                                                  | Date Issued | August 02, 2018 |
| Reason for Change                          | Capacity change or tool replacement                                                                                                                                                                                                                     |             |                 |
| Change Type Description                    | This letter is to inform you that another set of tooling is being added to meet the current and future demands of this product. There will be no changes in the fit, form or function from the additional tooling when compared to the current tooling. |             |                 |
| Reason for Short Notice                    | New Capacity                                                                                                                                                                                                                                            |             |                 |
| Assessment of Change                       | Product will be fully qualified before it is shipped. Qualification reports are available upon request.                                                                                                                                                 |             |                 |
| Internal Molex Qualification Date          | September 19, 2018                                                                                                                                                                                                                                      |             |                 |
| Sample Availability Date<br>(Changed Part) | September 19, 2018                                                                                                                                                                                                                                      |             |                 |
| Planned Implementation Date                | September 19, 2018                                                                                                                                                                                                                                      |             |                 |
| Method of Identifying Change               | Product made after planned implementation date can contain the change                                                                                                                                                                                   |             |                 |

## Before Change

- Replacement Mold
- 5559 4ckt Plug

## After Change

### Overview

- New tool is being built to replace worn tooling
- Product Impact
  - No impact to fit, form or function
- Part Number Impact
  - 39013046
  - 469990276
  - 39013043
  - 39013049
  - 469930411
