

Product Change Notification (PCN)

PCN Number	506203	Date Issued	November 19, 2018
Reason for Change	Capacity change or tool replacement		
Change Type Description	This letter is to inform you that another set of tooling is being added to meet the current and future demands of this product. There will be no changes in the fit, form or function from the additional tooling when compared to the current tooling.		
Reason for Short Notice	Force Majeure		
Assessment of Change	Passed FAI		
Internal Molex Qualification Date	November 30, 2018		
Sample Availability Date (Changed Part)	November 30, 2018		
Planned Implementation Date	December 24, 2018		
Method of Identifying Change	Product made after planned implementation date can contain the change		

Before Change

Before

- The MX120G product family currently uses resin from one manufacturing location in Italy.

After Change

After

- Addition of manufacturing location for RM Resin used in MX120G product family
- Due to delay/extended Lead time for the supply of PA66 resin from Italy manufacturing location the FG supply to customers are getting impacted. To mitigate this risk we intend to add china manufacturing facility of the same supplier which will help reducing supply lead time.
- Product Impact
 - no impact to fit, form or function
- Part Number Impact
 - Series : 36783, 36792.
- Qualification Reports and samples available upon request after the date shown above
