Before Change

After Change

- «21x21» metal bulkhead mounting housing right angle.

PCN#506696 – Planned Implementation date: July 22, 2019

Overview:

- This document is to inform you that Molex HDC is going to replace the mould for «21x21» metal bulkhead mounting housings with right angle.
- The picture on the left represents the involved products.
- See attached impacted parts list.
- This is part of our consolidated process of maintaining the operations. The new mould will create less waste than the current one which is getting closer to the end of the shelf life.
- Form, fit & function of the product won't be affected.
- Qualification Reports and samples will be available upon request after the date shown above.
