#### After over view - Addition of new dies for MLX crimp terminals

- We are adding 3 more dies to produce these terminals so that production of these terminals won't get affected due to die condition. Separate identification will be provided to identify the terminals from new dies.
  - New dies also can produce the listed terminals.
  - All terminals will be meeting the drawing spec.
  - There will not be any change in terminal design.
  - Separate identification will be there to identify the terminals with produced new dies, as per attached
- 
- JXH
- Qualification as per procedure of the new dies will be carried out before starting of regular production.
